## K-146 resurfacing project to start next week

The week of April 25 the Kansas Department of Transportation (KDOT) expects to start a mill and overlay project on K-146, between U.S. 59 and the Neosho-Crawford county line.

The contractor plans to begin at the county line and work west toward U.S. 59. Flaggers and a pilot car will guide one-lane traffic through the work zone during daylight hours. Expect delays of 15 minutes or less.

KDOT awarded Heckert Construction of Pittsburg the \$1 million construction contract. Weather permitting, the project should be finished in late May. Persons with questions may contact KDOT Construction Engineer Kyler Farmer at (620) 308-7617 or Public Affairs Manager Priscilla Petersen, (620) 902-6433. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more road condition and construction details.
